# SCOTT'S

## CHRISTOPHER KANE

*Christopher Kane launched his eponymous label in 2006 almost immediately after graduating from Central Saint Martin's, quickly growing it into one of the powerhouse labels of British fashion.*

*The Scott's x Christopher Kane Christmas collaboration marries Christopher's playful aesthetic with the history and glamour synonymous with Scott's. The installation elevates everyday materials into eye catching and luxurious forms, casting a colourful backdrop onto Mount Street and reflecting the brand's highly creative signature style for the festive season.*

*In honour of the partnership, we have created a special Christopher Kane at Scott's cocktail, the 'More Joy', named after a key slogan for the brand.*
